

IMPERATOR is a powerful and determined STILMAT aludoormat. The successful one with additional fittings: This model has special scraper bar for an extra cleaning effect! The profiles are connected with galvanized steel cable and rubber spacers. Imagine your impressive entrance with IMPERATOR STILMAT doormat. Suitable for internal use and for extreme frequency of passengers. This model is with thorough brushes for an extra cleaning effect and high quality dust control carpet. Ideal for picking up coarse dirt, fine dirt and moisture.

Ideal for: Coarse dirt

The weather-proof solution

Roll-over and drive-over capability: Wheelchairs, Prams, Hand and Light shopping trolleys

Aluminum coating: Fully anodized

Logo options: Logo engraving
